Number of Bed Days by Ethnicity 04/05

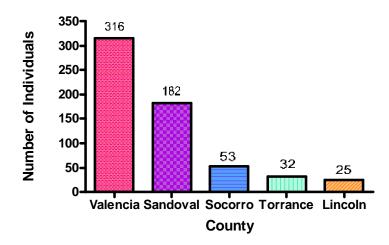

Hispanics Held: 942 Caucasians Held: 391 African Americans Held: 136 Native Americans Held: 67 Asians Held: 26

Section 1 Part 3. Regional Data

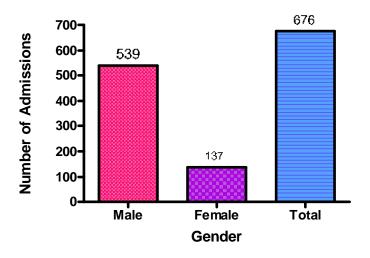

Regional Clients' average length of stay is 12.55 days and age averages about 16 years of age. Cost figures can be found in the Cost Analysis section of this report. Overall, our regional clients mirror those of our own Bernalillo clients with regard to type of crime (usually administrative), gender and ethnic distributions. Regional clients, however, are observed with shorter LOS'.

Regional by County

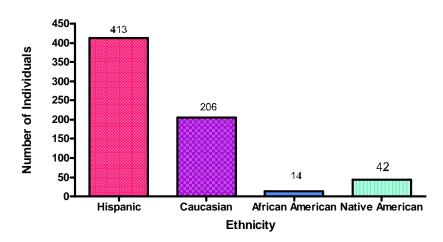

All following graphs include the TOTAL number of regional clients. These clients are not broken down by Region.
